

Isn't it time that your
Chapter started its own
BMF Website?

CREATE A WEBSITE FOR YOUR CHAPTER!

We have worked with our Internet partners to develop an easy to use system that creates a custom website for your chapter resembling our national site www.bmfusa.com.

Use your site to share information, advertise events, send email, and more...

You can have your chapter site up and running in minutes...

- 1. Choose an available Domain Name (example: www.bmfusa-buffalo.com).*
- 2. Visit www.isgprohost.com to register and begin to customize your site...*

The Template System is just like using a word processor!

Domain Registration is \$18.00 for 2 Years...

There are 2 Hosting Plans:

1-\$5.95 per month to your credit card

2-\$59.90 annually to your credit card

(includes 2 months free!)

New accounts have a one-time setup fee of \$9.95

Technical Information:
